

Music Reflection Starters

Directions: Use one or more of the reflection starters below to reflect on music played by your peers.

* **I heard** _____.

(Describe the sounds made by the different instruments: faster or slower, higher or lower pitched, louder or softer, etc.)

* **When you played the instruments, I noticed that** _____.

(Describe how the musicians played the instruments: all together, overlapping, beginning and ending sounds)

* **How did you decide** _____?

(...which instrument would play first or last? ...to play X instrument the way you did? ...to create that new instrument? ...to coordinate your timing among players?)

* **Your theme made me think about** _____.

(Describe what the theme showed about the character or the feelings it communicated.)
