

## Sample Responses for TRAIL Marker #1

***My ensemble wanted to show that Kim....***

\_\_\_\_\_ felt sad and lonely in the beginning of the chapter. She got braver and more determined and then felt confident at the end \_\_\_\_\_

**because the text said....**

she was looking at the picture of her father and her mother and sister were sleeping. She was thinking about how she never knew her father. She was scared outside but went anyway and found a spot to plant \_\_\_\_\_

***In our theme, we showed Kim's feelings and how she changed throughout the chapter by***

Playing glass jars quietly with alternating pitches. At the same time we were quietly shaking shakers to show Kim feeling sad. Then we increased the dynamics and used four loud drumbeats at the end to show her changing and getting more confident. \_\_\_\_\_
